Fares are current as of Tuesday, March 17th, 2015, these fares don't include any discounts beyond Student Concessions, and it is worth doing some extra research before booking any transport to see if there are any cheaper or alternative modes available.

You will be required to provide Photo ID at check-in if flying.

Fares also don't include things such as seat selection, credit card fees or any other additional fees.

Rail/Coach fares aren't listed for QLD, NT, SA or WA because of the extreme travel time involved, however it may be possible to travel on these modes.

Flights from the Northern Territory to Canberra and Tasmania to Canberra also aren't listed as there are no direct flights between the two destinations.

If you're flying Qantas, meals are provided onboard but depend on the time of travel, which are: Breakfast Service from 4am-9am, Lunch service from 11am-1:30pm, Dinner service from 5pm-8pm, and a refreshment service at other times.
